PRESIDENT'S REPORT

Hi Folks,

Happy New Year to you all. I hope you enjoyed your Christmas break, but now it is time to get back into some serious dancing. As you know we have a new VP Dance in Janelle and she has a few new ideas about the way she would like to see the club progress. I must say it sounds very promising and the dance teachers are in agreeance with her.

We enjoyed a great free night with Johnny Gray for our last social in December last year and it was very well attended. This year we kicked off the year with Nicky Steel. Great music, but our numbers could have been better. Darren J Ray will be our entertainer for our next Monday night social on the 18th February. Always a hard decision to know when to start our year because of the holidays and this year's heat, but the powers that be assure me the air conditioning is on its way. May have to take a big detour but it is coming. Our bands will be pleased to know that the lift restoration has been started.

Our Saturday night dance dates for this year are:-

March 9 th	7.30pm – 11.00pm	- The Rock n Roll Boys.
May 18 th	7.30pm – 11.00pm	- Long Gone Daddys
September 7 th	7.30pm – 11.00pm	- Buddy Love & the Tremors
December 7 th	7.30pm – 11.00pm	- Band called Twang

It's a Dog's Life:- The rich man's guardian and the poor man's friend, the only creature faithful to the end.

Keep on dancing.

Cheers Bev

Something deep and meaningful:-

Bedtime Prayer

Now I lay me down to sleep
 I pray the Lord my shape to keep
 Please no wrinkles, please no bags,
 And please lift my butt, before it sags
 Please no age spots, please no greys,
 And as for my belly, please take it away
 Please keep me healthy, please keep me young
 And thank you Lord, for all you've done.

VP DANCE REPORT

Welcome to 2019 dance lessons. We are looking forward to a great year and lots of fun. For any of you who are new to Just Rock a special welcome and we hope you enjoy your time with us. To our returning dancers I hope you had a great holiday and are ready to get back into it. To our dance teachers both old and new thank you for volunteering your time for this year.

We have made some changes in the lessons of which I hope will bring a new understanding of dance for all. As teachers we will endeavour to create a positive learning/teaching environment. We hope to support and encourage you to use self-expression and creativity with your dancing and to give you a desire to practice and improve your dance skills.

As we progress through the year we invite and welcome honest feedback. By doing this we hope to improve on how we teach, and learn more on what you need and would like in the classes and/or dance demos.

Thank You to all the dancers who participated in the Australia Day Festivities, as hot as it was we had plenty of opportunity to practise our triples and other new demo dances. During the upcoming year we hope to see more of our dancers attend these events.

So let's begin 2019. May this year be everything you want it to be and more.

"Life is short and there will always be dirty dishes, SO LET'S DANCE."

Quote by James Howe.

Regards Janelle

CAN TAB NEWS JANUARY 2019—RAISING FUNDS FOR RONALD McDONALD HOUSE CHARITIES SE QLD

An amazing amount has been donated over the last three months of 2018, consisting of 4 bank deposits—\$183.00, \$222.00, \$357.00 and \$22.00—making a grand total of \$10,017.00 which is equivalent to collecting approx. 33,807,400 can tabs.

We weren't expecting to pass \$10,000 until well into 2019. Suddenly we were inundated with can tabs from our dedicated band of collectors and with Christmas Season, sales of donated craft/sewing boosted the dollars donated. Our first donation in February 2009 was \$76.00—almost 10 years ago.

We can only say THANK YOU on behalf of Ronald McDonald Houses—every one of you are part of this wonderful achievement. We couldn't do this without you.

Ring John/Gail for further info—3288 3235.

FEBRUARY 2019 VP CAR CRUISE REPORT

Hi everybody, welcome back after the Christmas New Year Break.

The January Australia Day run was a huge success with excellent attendance considering the very hot weather. We departed from Brassall State School Car Park at 8:30am and headed off for a nice country drive with our first stop being at Cunninghams Crest Lookout on the outskirts of Laidley, we then continued through the township of Laidley to Lions Park for Morning Tea, off we went again to Lockyer Waters and the Alex Geddes Hall for a sausage sizzle with the Rural Fireies and the people in the local community. There we put on a dance demo in the hall.

The kids where entertained by the fire truck, fire hose games and the little yellow fire truck giving rides plus many other activities. Bev won the raffle and we won the show and shine. Thanks to Bev and Jay for organising another great Australia Day run and to everybody who attended for another enjoyable day of fun and laughs. The next cruise will be the JRI Fish & Chips Cruise on Sunday the 24 February 2019. We will meet at Goupong Park, Collingwood Park at 8:30am for a 9:00am departure. BYO Morning tea and chairs. Sign on sheet will be at lesson nights or an event will be created on the JRI Facebook page where you can add your name. Hope everybody is enjoying life and looking forward to catching up with everybody at dancing or the next car cruise.

Would all members with Classic Vehicles Registered through JRI please take note: that unless there is mention of authorised Club runs in the official Newsletter of the Car Club, any outside arranged runs are NOT SANCTIONED by the Club and therefore all members taking part in any such runs are doing so at their own risk. You will not be covered by the Clubs Public Liability Insurance cover if anything untoward happens and it is highly likely that you will not be covered by your own insurance company. You are also putting your S.I.V.S rego at risk.

If you are attending a run organised by another Incorporated Car Club you are able to do so if it is in their newsletter and an open invitation has been offered to all clubs. If you are in doubt about sanctioned club runs being cancelled or changed please ring Robert Profke or Mathew Bowmer (numbers page 2). If you have any suggestions for Club runs please contact Robert Profke.

Australia Day Cruise 26 January 2019

by the cruise leader Jay Mair

This year it was decided that we were not going to have the usual Australia Day BBQ but cruise to a morning tea stop and end up at Lockyer Waters where there was a gathering of classic cars and we had been asked to provide a Rock 'n' Roll demonstration at the Anne Geddes Hall in Lockyer Waters.

We had quite a large number of cars and people turn up at Hunter Street Brassall ready to leave at 8:30am. We headed up the highway to Hatton Vale and then headed south to Summerholm.

With a few nice quiet country roads we climbed up from Summerholm to the Lake Dwyer Lookout, otherwise called Cunningham's Crest. We found enough room for all the cars and 1 motorcycle and everyone made the trek up to the lookout itself.

Apart from myself and Bev, I think everyone on the cruise had never been here before so a pleasant surprise for everyone. The views are quite spectacular over the flood plains of Laidley and you could just make out Lake Dwyer itself. Because of the drought it looked just like an oversize puddle.

We then drove down the hill into the centre of Laidley which was surprisingly quiet for a Saturday. We continued on through Laidley to the park near the Pioneer village on the outskirts of Laidley. There were just enough seats and shade for everyone to have a cuppa and share the vegemite and cheese 'Australia' crackers, lamingtons and a few other delectable nibbles.

We then headed towards Blenheim and then across to Forest Hill and over the Warrego Highway. This was the slowest part of the cruise as there was quite a bit of traffic on the highway.

We then continued to Kentville and then onto Lockyer Waters Rural Fire Brigade and the Anne Geddes Hall. I left the dancers and onlookers there while I headed back home as I had other errands to complete.

Hope everyone enjoyed the cruise and it wasn't too hot for dancing.

WELCOME
