PRESIDENT'S REPORT

Hi everyone and welcome to Just Rock Ipswich April newsletter.

What a year we have had with 12 months since we had dancing. We have survived with several setbacks.

Thanks to the previous committee especially Greg and Carol for carrying the flag in the last few months. Because of COVID Swifts have closed on Sundays and Mondays plus are not opening until 3:00pm on Tuesdays and Wednesdays and are not allowing the use of upstairs for dancing, weddings etc. All their greens are closed until further notice. We hope this is not a permanent thing and have had talks with the manager who seems optimistic. It was a board decision out of her control.....so maybe we have to find another home.

We are trying North Ipswich Bowls Club for our first social dance on Monday 19 April after having to cancel due to COVID and a venue change due to Swifts closure. Billy Guy, our entertainer for the night, has been a great help with being adaptable and helping with advertising.

As we presently have no dance teachers we will not be starting lessons yet. Maybe a new format could be that as we can have North Ipswich Bowls Club any Monday night we could use our own music and practice our dancing skills and welcome any new comers to our club. I am sure that some of our members would be willing to help share their dance moves, including some basic ones. We are seeking feedback and suggestions for this option before trying it. We could also benefit from some of our more experienced dancers showing us different moves. What do you think? We could still have our monthly socials. We will need your feedback as to whether the North Ipswich Bowls Club is right for us after we have our first social.

Regards
Mick Dicker
